Terminal Disclaimer

1. The terminal disclaimer filed on June 25, 2003 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of Patent No. 6,345,262 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

- 2. Claims 1-21, and 24 are allowed.
- 3. The following is an examiner's statement of reasons for allowance:

This instant invention is directed to a non-obvious improvement over the invention described in Patent number 5,644,726 to Oppenheimer. Oppenheimer teaches a method for creating single mortgage documents with multi-part obligation, one of which finances real estate property ownership trough a combination of mortgage debt and equity participation. Oppenheimer, however, fails to teach or suggest a mortgage document which specify an equity participation mortgage and a principle repayment component and the timing of equity participation is indeterminable as recited in independent claims 1 and 24.

This instant invention is directed to a non-obvious improvement over the invention described in Patent number 5,644,726 to Oppenheimer. Oppenheimer teaches a method for creating single mortgage documents with multi-part obligation, one of which finances real estate property ownership trough a combination of mortgage debt and equity participation. Oppenheimer, however, fails to teach or suggest a mortgage document which include the equity participation mortgage obligation and which specify that the lender shares in a predetermined percentage of realized appreciation on subsequent sale
